Business Profile

Global #1 market share for Nursing Bottles. For more than 60 years since its establishment, the Pigeon Group has continued conducting intensive R&D with the aim of bringing happiness to babies and their families. We offer highly competitive products and services and are now expanding our business over 90 markets around the world.

We are promoting the "8th Mid-Term Business Plan" starting in 2023 to flexibly respond to the rapidly changing global business environment and to ensure sustainable growth. In addition to sustained growth in existing business areas, we are aggressively restructuring our business structure by focusing on exploring and nurturing new growth areas where we can leverage our knowledge and expertise.

Performance Overview (3rd Quarter)

Sales of the Pigeon Group expanded during the consolidated first-nine-month period under review, while earnings retreated. Net sales grew to ¥76,037 million (up 4.2% YOY), buoyed by yen depreciation and led by the Lansinoh Business and China Business. In earnings, higher revenues boosted gross profit, but the Group invested actively in selling, general and administrative expenses to bolster net sales and market share in mainland China, particularly in the China Business. Operating income dropped to ¥8,481 million (down 16.7% YOY), ordinary income fell to ¥8,833 million (down 20.8% YOY) and net income attributable to owners of parent slid to ¥5,426 million (down 25.5% YOY).
